

Create an Account with Primary Care Partners

Get Connected To Your Medical Information!

Welcome to the all-in-one personal health record and patient portal that lets you access your medical information in a secure online environment **24 hours a day, 7 days a week** from any computer, tablet or smartphone!

Just follow these simple steps to request your connection today!

1

Go to the Portal Login Page. Visit www.pcpqj.com, click I need to sign up.

2

Complete Your Information. Fill in the appropriate fields, and accept the Terms of Use.

3

Create a username for your portal account. By default, your email address will appear in the username box from the notification email that you used when signing up. It is recommended to use this email address as your username.

Next, create a password following the criteria noted on the right of the screen.

Enter your password to continue.

Request Connections to Healthcare Organizations

Search: (Zip Code, Organization, or P

Search Results

Urological Associates of Western Colorado 2373 G Road #200 Grand Junction, Colorado 81505	<input type="button" value="Connect"/>
Western Orthopedics and Sports Medicine 2373 G Rd Suite 100 Grand Junction, Colorado 81505	<input type="button" value="Connect"/>
Primary Care Partners 3150 North 12th Street Grand Junction, Colorado 81506	<input type="button" value="Connect"/>

4

Click Connect next to the medical organization(s) you'd like to obtain your records from. When complete, hit **Next**.

Note: if you click **Skip This Step**, you can complete your connection to your healthcare organization(s) at any time by logging in to your account, and selecting **My Account > Connections**.

Sign Release of Information Authorization

1 of 1 - Primary Care Partners TEST

Please review the Release of Information Authorization agreement and accept or decline the terms below.

FollowMyHealth
Authorization Release of Information

First Name: Christine

Middle Initial: Last Name: Altschips

I, Altschips, Christine authorize Primary Care Partners TEST to release any and all healthcare information about me to my FollowMyHealth personal health record for my own uses and purposes. I acknowledge that such healthcare information may include the following: x-rays, clinical diagnosis, histories of present illnesses, immunizations, allergies, prescription drug information, laboratory results, diagnostic screening and testing, clinical procedures, medical research, clinical trials, billing, account, and insurance information.

5

Accept the Release of Information from the organization(s) you wish to connect to.

Connection Request Successful

You have successfully requested access to your health data from Primary Care Partners TEST. You will receive an email notification as soon as your health record data is available. Primary Care Partners TEST may also contact you for further proof of identity.

6

Complete request by clicking OK.

You have successfully created your portal account. Your record will be populated with your medical information once your healthcare organization accepts your connection request. Please wait for a response from noreply@followmyhealth.com before taking further action.
