

WCPA PATIENT OVERVIEW

Please have your health insurance I.D. card available at the time of *each* visit. It is important that we have the correct billing information. Financial responsibility for your child(ren)'s treatment is ultimately that of the parent/guardian. Parents/Guardians are responsible for all co-pays and deductibles for all services being rendered. If you have an insurance that we do not participate with or do not have insurance, it is your responsibility to *pay* at the time of service unless payment arrangements have been made with our Credit Managers, 970-245-9370.

Payment and Patient Balances:

WCPA expects Payment for services and/or co-payments at the time of your appointment. If you cannot pay your balance within 30 days, we encourage you to contact Credit Managers office to discuss your account. Credit Managers 970-245-9370
